

## **Andrea Marietti CV**

**Andrea Marietti**, Italian and European Patent Attorney. Graduated in Industrial Engineering at the Politecnico of Milan, Chartered Engineer in 1998, Andrea qualified as a national patent attorney in 2001 and as a European patent attorney in 2003. In 2007, he got a post-graduate diploma from the University of Strasbourg III in "Patent Litigation in Europe". In 2014, he attended the update course on UP (Unitary Patent) Package, held by CEIPI and EPI in Strasbourg, with the collaboration of the University of Strasbourg III. He joined Marietti and Gislon in 1998 and continued his career with Marietti, Gislon and Trupiano as a partner. He was founder of Torner, Juncosa i Associats in Barcelona (2003) and of Fabiano-Franke in Lugano (2015). During his career, he dealt with a big number of different tasks in the patent field, ranging from patent drafting and prosecutions to FTO opinions and by parte expertise in Patent litigations. Andrea has been often – and still is – appointed as a Court Technical Expert by the IP specialized Civil Court of Milano and Bologna for patent matters concerning his technical field. Andrea is also a tutor in post-graduate courses concerning patents held at the Politecnico of Milan. From 2013 to 2016 he was deputy member of the Professional Conduct Committee of the EPI (European Patent Institute).
